

Request for postal vote

for the elections of the student self-administration in winter semester 2020/21

Extract: Election regulations for the elections to the organs of the student body of Schmalkalden University of Applied Sciences from June 19, 2018:

§9 Postal vote

(1) Every Person which is entitled to vote has the possibility of a postal vote.

(2) The postal vote must be requested from the election committee at least within 20 university lecture days of the election announcement. After the expiration of the objection period according to § 6 (8), the board will send the postal vote documents. They must be returned to the Electoral Board by the last day before the election. If the handover of the postal voting documents has been requested by the election committee, the documents can be picked up by 1:00 p.m. on the last day before the first day of the election. The electoral committee must note the sending or handing over of the documents in the electoral register. Persons entitled to vote for whom the delivery or handing over of the postal voting documents is noted in the electoral register are only entitled to submit their votes by postal vote.

For elections in the winter semester 2020/21, the postal vote can be applied for until December 4, 2020. Note of the election officer
